Thank you for the information, we look forward to your visit. Please call me if you have any trouble what so ever finding the lab.

Regards,
Bruce

Dear Bruce,
this is to confirm my visit to Esoterix on Friday, August 3. I will arrive at Denver at 8.25 am. Assuming that the flight will be on schedule and I find your lab I will be at your place between 9.30 and 10.00 am. I plan to stay 2-3 hours.
Best regards
